Supplemental Type Certificate

Number ST02240LA-D

This Certificate issued to LifePort, Inc.
1610 Heritage Street
Woodland, Washington 98674

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet T00012WI*

Original Product Type Certificate Number: T00012WI

Make: Cessna

Model: 680

Description of Type Design Change: Installation of a Patient Loading and Utility System (PLUS) in accordance with FAA Approved Master Drawing List for the PLUS installation in the Cessna 680, MDL-849-00, Revision M, dated June 15, 2009, or later FAA approved revision. FAA Approved Airplane Flight Manual Supplement No. EGR-849-11, dated June 26, 2009, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(Limitations and Conditions continued on page 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 1, 2009

Date of issuance: June 26, 2009

Date reissued:

Date amended: September 3, 2009

By direction of the Administrator
